FOREWORD

IT'S A TEEN'S WORLD

Never before in these nineteen hundred and sixty-one years have teen-agers had life so great. It's a teen's world - to enjoy and to span! No longer are we limited to home towns and back yards. With the modern methods of communication now available beyond our door is the universe, and just around the corner is outer space.

We are involved with the world whether we like it or not. We are its citizens, its makers, and its future rulers.

Unless we're in touch with all corners of the globe, all areas of life, we're "a square."

Never have teens had life so good, so special. Yet with the luxury of our economy we can become soft and lazy, or we can let it open doors of self-development for us. We can prepare ourselves intellectually, emotionally and professionally with relatively little distraction.

Ours is the power to make dreams come true - to have the friends we want - the harmony at home - the travel away from home - the high grades - and high goals we want.

At our fingertips are the works of masters to enjoy, to learn from and to profit by.

At the snap of our fingers we can become lost in a world of Mozart or Benny Goodman, enchanted by Burns or Longfellow, cry with Shakespear or laugh with Mark Twain. We can walk the golden Roman Streets with Caesar or rule the English with Elizabeth. Or if we chose we can ride with an astronaut as he explores outer space, sit in on U. N. conferences or even twist with Chubby Checker!

Yes, the world is ours; all we have to do is make it worthwhile.

GILBERTA S. HUBBARD

We would like to pay tribute to Mrs. Gilberta Hubbard for her years of outstanding and dedicated service in the course of education. Her career has been marked by a record of successes - as classroom teacher and high school principal at Buckhorn in Mecklenburg County and more recently as librarian here at Brunswick High School and General Supervisor of the Brunswick County Schools.

As she retires to serve her fellowman in new fields of endeavor, we wish for her the continued success and happiness that she so richly deserves.

INTRODUCTION

Why have an annual? It is important to show everyone's individual picture, classroom and extra curricular scenes but more important it gives each of us a pictorial record of cherished memories that we can turn back to down through the years.

Time has passed so rapidly and now that we are seniors we look back on many memories that are a part of our history. The following pages seek to recall with pictures not only our fun at extra curricular activities but of more lasting importance our class room activities that have enabled us to reach the coveted goal of high school graduation.

We realize that this is only one small step to an education, yet at this stage in our lives it has meant so much to us that we seek to share with you, our reader, the cheerful, changing, challenging days at B. H. S.

In our modern world ability to communicate is of primary importance. Not only the abilities to read with speed and comprehension but also with a degree of appreciation. Communication also incorporates the more difficult skills of written composition and public speaking if we are to be successful in a space age. The ability to think objectively and not be influenced by prejudice, superstition, and propaganda are basic to real learning.

Much more technical information must be mastered by a person in a space age. Understanding of numbers and science are a part of the universal language of an educated person.

For many of us high school terminates our formal education so vocational training is of primary importance. Our high school offers us skills that will help enable us to earn a gainful living.

Basic concepts of right and wrong learned in the classroom and on the athletic field as well as at school social activities help a pupil formulate the sound moral and spiritual values necessary to good citizenship.

Unless our schools develop within us knowledge and belief in American Democracy our very existance will be endangered.

Finally through creative imagination and thinking we encourage within ourselves intellectual curiosity and individual responsibility necessary to successful and happy life.

SENIORS OF '62

From Brunswick High they go for the last time,
Knowing not what's ahead, be it cruel or kind.
Behind them they leave memories dear,
And for those who follow, a wish sincere:
"May your days of learning be rewarding to you;
May you find satisfaction in all you do;
May you not be discouraged, may your pit-falls be few;
And to your profession, may you always be true."
This, their desire for you who come behind,
As for them the doors close for the last time.

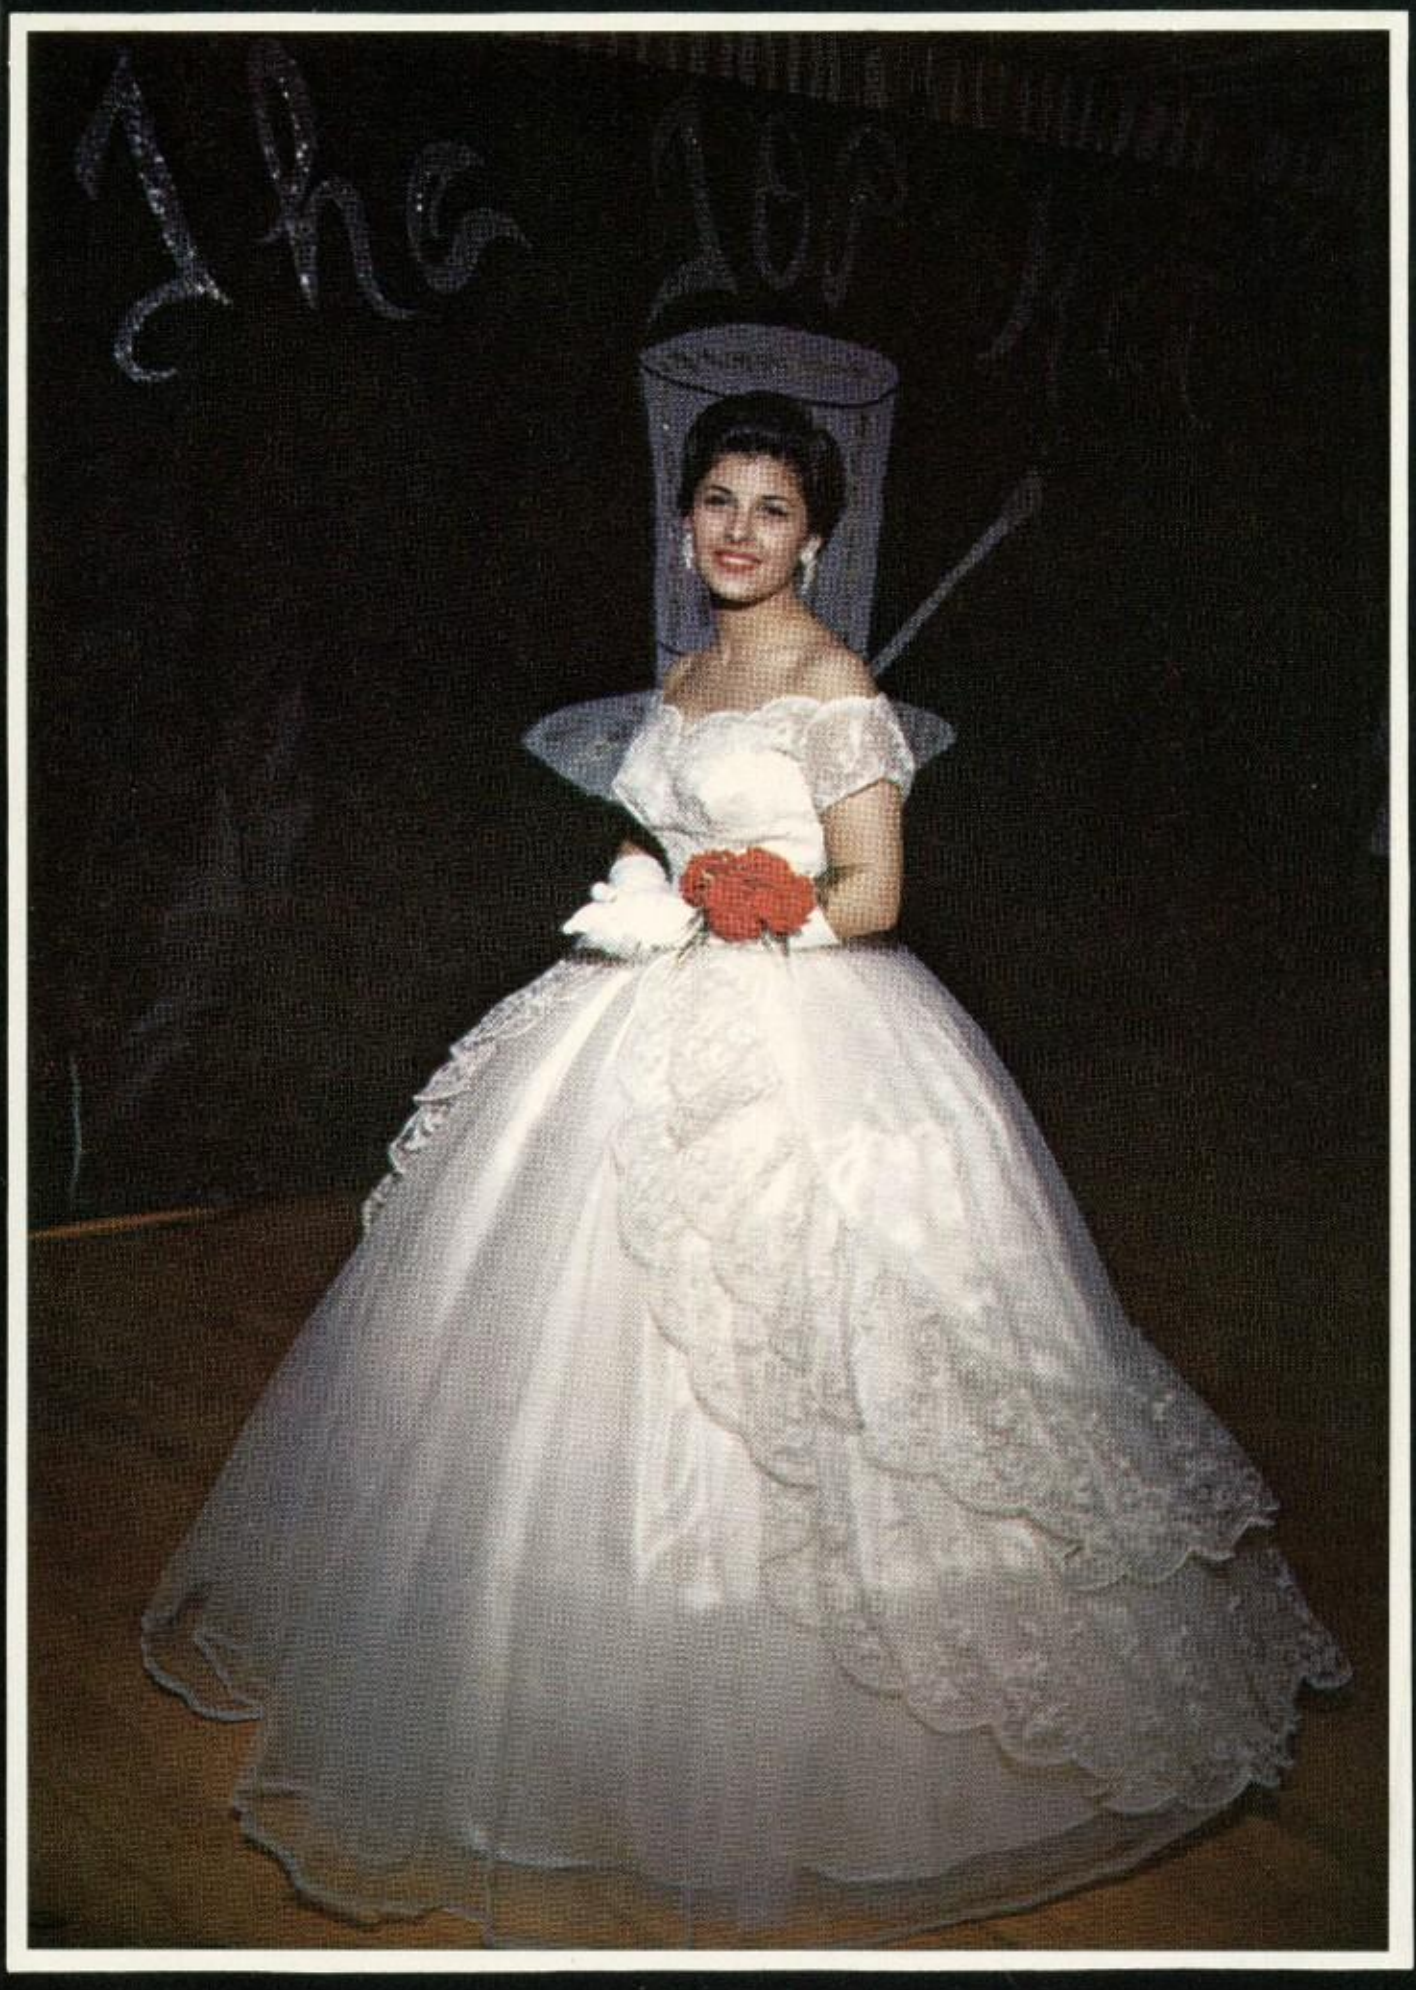
EDITH LANE SMITH

As Tobacco princess, Edith Lane Smith, represented Brunswick County at the annual tobacco festival in Richmond, Virginia. A senior in Brunswick High School, she is the first Brunswick County girl to receive this honor while still in high school.

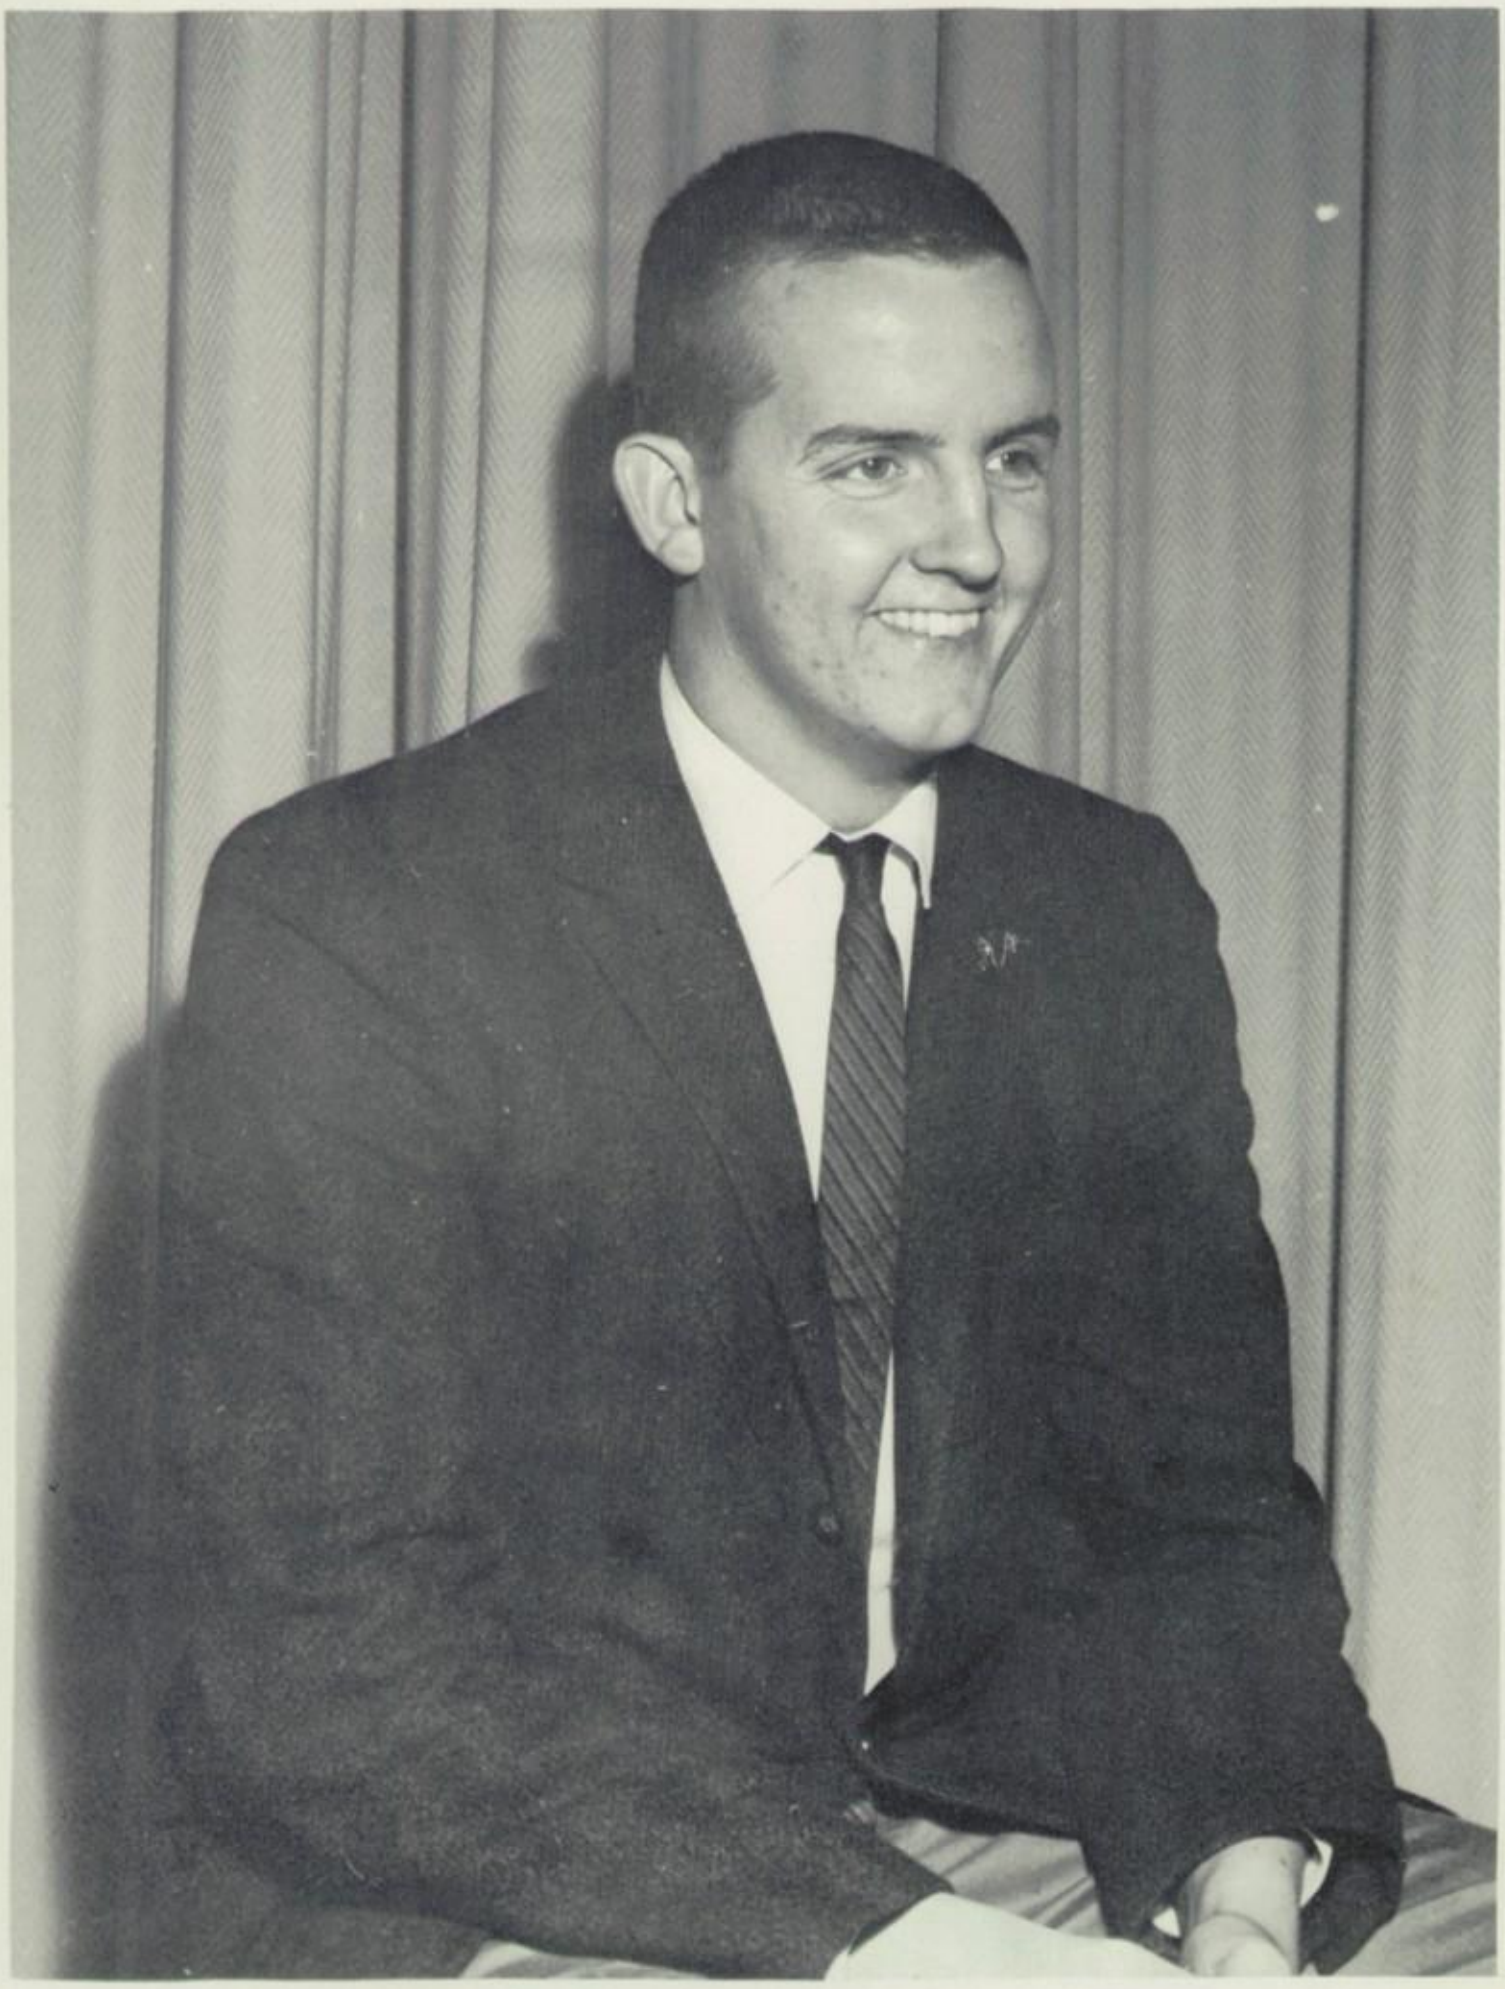
ALICE ANNON

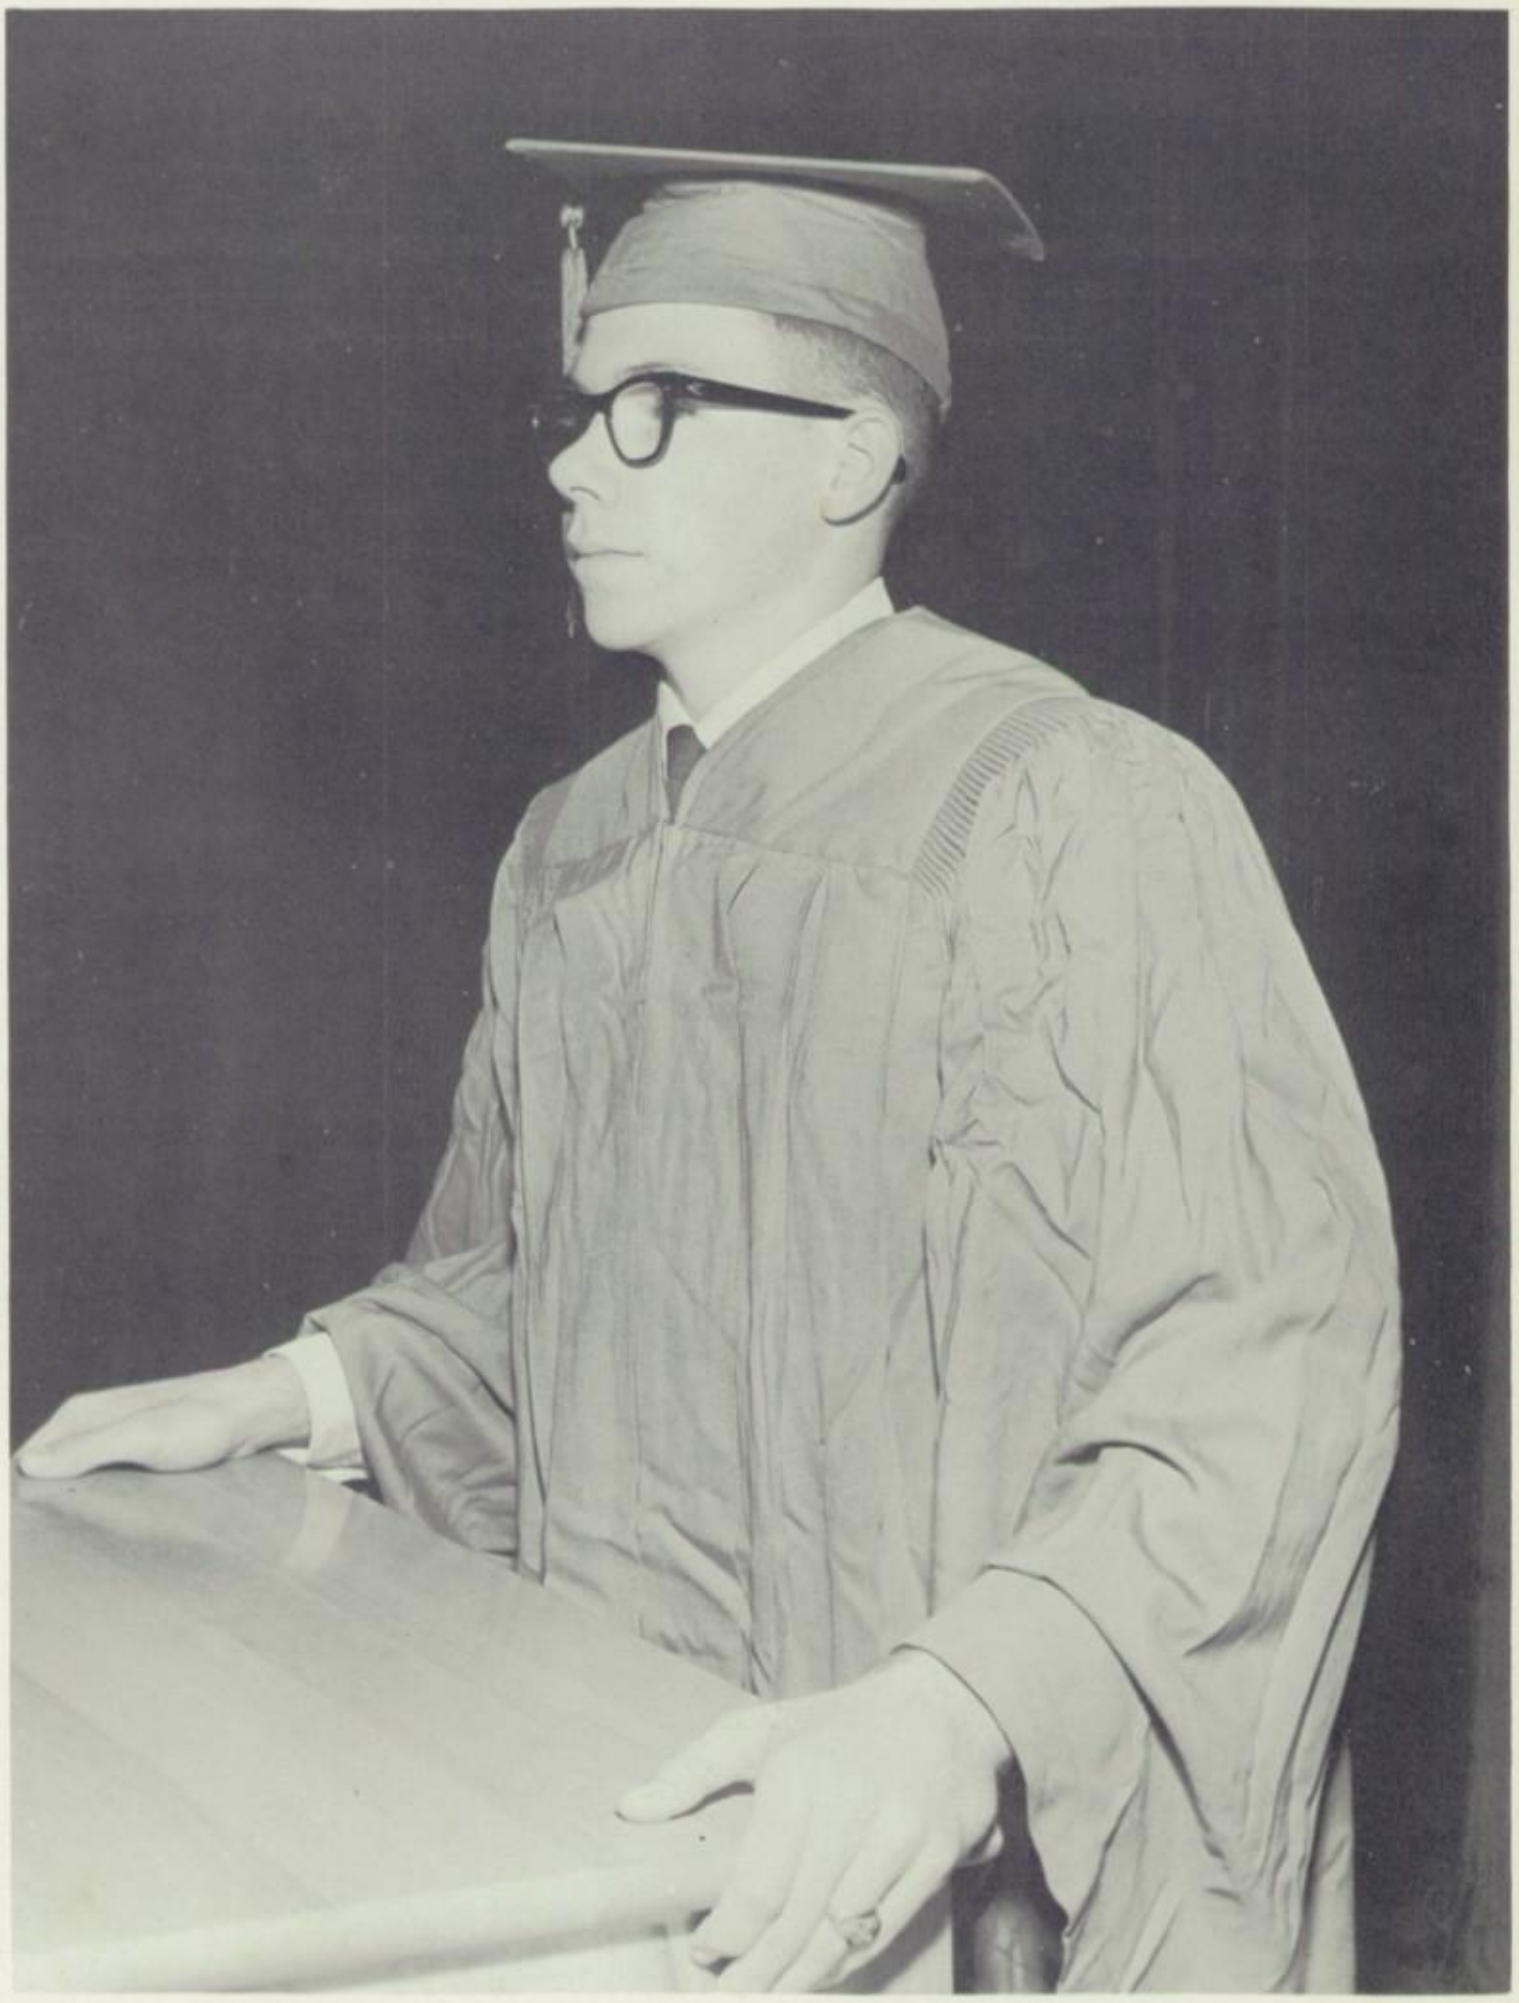
Vivacious Alice Annon reigned as Miss Brunswick High School in her senior year at Brunswick High School. She also captured the title of Homecoming Queen and reigned over all Homecoming activities.



DONALD BAIN CLARY

Donnie is one of the most outstanding athletes ever to represent Brunswick High School in District III competition. His participation in four sports has gained him recognition on All-District teams. As a result, he is one of the most sought after athletes by colleges of this area. In his senior year he became the fourth player in the history of District III to score over a thousand points in basketball competition.





WILLIAM STERLING ROBERTS

Billy is the first pupil in Brunswick High School to receive a Letter of Commendation from the National Merit Schlorship program. This accomplishment has brought him scholarship offers from many colleges and universities. In addition to acedemic achievement, Billy has been active in sports, forensics, journalism, and club activities.

Brunswick H. S. Band Marches In Gubernatorial Parade

Participation in the inaugural parade for Governor Harrison was certainly the highlight of the 1961-62 school year. The band was pleased to be selected to represent Brunswick County in this event and even the undesirable January weather did not hinder the enthusiasm of the band members.

Other activities of the year included performance and half time shows at all home football games and two games away at Emporia and Amelia. The South Hill Harvest Parade, our Homecoming Parade, the University of Virginia Band Day, and the community Christmas program in downtown Lawrenceville were other outdoor activities during the fall and early winter. Last year the band was honored by having two of its members chosen for All-State Band and two for Work Shop Band.

The Concert Band has been steadily improving and with an increased membership looks forward to a successful concert season and the District Three band festival in the spring.

The band has had many good times this year, but above all endeavors to learn about the many kinds of music by developing skills and understanding in playing an instrument.

BOW-WOW

The Brunswick High School newspaper, the BOW-WOW, is a mimeographed paper published biweekly. The 1961-62 BOW-WOW attempts to record important events concerning student activity at Brunswick. At the same time, the paper strives to promote more interest in high school journalism. In addition to the staff's contributions to the paper's make-up, newsworthy articles submitted by the individual student are accepted.

Betas Strive For Scholastic Achievement

The Beta Club consists of those juniors and seniors who have a 90 average in high school work and possess good character as well as leadership.

The purpose of the club is to create an interest in good scholastic standings and to strive for honesty in the class room.

The Beta Club each year sells fruit cakes and sponsors the Valentine Dance in order to raise money to send delegates to the Beta Convention. In this way, the Beta Club keeps in contact with other clubs and acquires experience in carrying out its purpose.

Emphasis On Athletics Shown By Monogram Club

The Monogram Club is made up of those athletes who have excelled in the sports or sport they play. Members of the club are expected to show good sportsmanship on the playing field as well as at other times. The club encourages this good sportsmanship by awarding to a boy and girl a trophy signifying that the boy and girl possess outstanding qualities as a sport.

The Monogram Club contributes to athletic funds at the school, sells programs at the ball games, operates the concession stand at the basketball games and awards keys to all senior members.

Hi-Y Members Engage In Christian Pursuits

The Hi-Y Club is a branch of the Y. M. C. A. and is committed to Christian pursuits. The club consists of sophomores, juniors, and seniors who desire "to create, maintain, and extend, throughout the home, school, and community, high standards of Christian character."

The Hi-Y's program is based on the platform--clean speech, clean sportsmanship, clean scholarship, and clean living--and carried out with the purpose of enriching Christian character.

The Hi-Y sells refreshments at football games, sponsors Christmas Baskets to the needy and has a formal banquet each year.

Morning Devotions Read Over Intercom By Tri-Hi-Y Girls

The Tri-Hi-Y is the girl's branch of the Y. M. C. A. in the high school. The club is composed of high school juniors and seniors who desire "to create, maintain, and extend, throughout the home, school and community, high standards of Chrisian character."

The Brunswick Tri-Hi-Y, in order to enable its members to more fully fulfill the purpose, sends delegates to Model General Assembly, Blue Ridge, and District Meeting. The training received at these meetings helps the Tri-Hi-Y to set up projects that will advance the club's purpose. Among these projects is the reading of morning devotions over the intercom.

Future Homes Insured Against Inexperienced Homemakers

The Future Homemakers of America is the national organization of pupils studying homemaking in junior and senior high schools of the United States and Territories. It was formed to keep the girls interested in homemaking and to develop fundamental homemaking qualities. They learn to cook, sew, knit and plan meals for their future families.

The motto, "Toward New Horizons," expresses the purpose of the organization--learning to live better today in order that the lives of the members and those of their families may be better tomorrow.

Future Farmers Learn Modern Skills

The F. F. A. stands for the Future Farmers of America. This is a national organization of farm boys who are expected to become farmers. The primary aim of the Future Farmers of America is the development of agricultural leadership, cooperation, and citizenship. The motto, "Learning to Do--Doing to learn--Earning to Live--Living to Serve," is filled with practical philosophy, reflecting a spirit and sincerity that shows the true viewpoint of farm youth. The F. F. A. is one of the most outstanding national pupil organizations in America.

All throughout the year, the F. F. A. has such contests as dairy judging, farm mechanics, crop judging and forestry. In February, a Father and Son Banquet is given for our fathers.

D. O. Pupils Earn While They Learn

To become a member of the D.O. Club, a person must have eight units in High School work and be sixteen years old. If a job is classified as hazardous, she or he must be at least eighteen years old. Furthermore, the pupil must express a desire to gain experience and must submit written permission from the parents. After an interview with the student, the coordinator decides whether or not the pupil is ready and fitted for the opportunity of going into a place of business.

The purpose of the D.O. Club is to give the boys and girls some first hand experience in business and industry while they are in high school. The D.O. Club may help the pupil to find out what he doesn't want to do in life as well as what he wants to do.

Q. R. V. Renders Community Service Through Races

The Q. R. V. Club was started with the purpose and goal of providing the students of the school with more opportunities to develop their interests in various fields of electronics through experimental work and operation of the radio station of the school. The name Q. R. V. stands for "We are Ready", and this is the motto of the club.

The club has a F. C. C. license with the call letters W 4 MAX. It has equipment to work all ham bands with both voice and CW (code).

The club will participate in Civil Defense activities through RACES (Radio Amateur Civil Emergency Service) and thus provide a valuable community service.

Spanish Culture Studied By Students

The Spanish Club consists of those students who are taking Spanish I or II and desire to belong. The aim of the club is to create an interest in the Spanish-speaking people; their customs, their history, and especially their language.

The foundation on which the activities of the club are built is the class room study. The teacher endeavors to portray not only the fundamentals of the Spanish language but also includes the human interest aspect that portrays the Spanish-speaking people as the interesting people they are.

Amerrican Heritage Studied By Latin Club Members

The Latin Club members recognize in the Latin culture the basic foundation on which the language, law, and literature of the modern America is based. The Latin Club strives to impart to the students of Brunswick High School a better understanding of this heritage which stems from the Greek and Roman culture.

Res Non Verba (Deeds not Words) is the motto of the club and is upheld by the Roman banquet given each year by the Latin Club. Other activities include the planting of a tree on Arbor Day, a cake-walk, and bulletin board and show-case displays that represent different phases of the old Greek empire.

Students Serve As Assistant Librarians

The Library Club is organized for the purpose of giving assistance to anyone desiring library services. The members serve in the library during their study halls and thus provide library service of a greater quantity than if the Library Club did not exist.

The Library Club members hope that the club will render a very helpful contribution to the library and to the students and teachers who use it. They are likewise sure that each member of the club, while helping others, will at the same time receive much help for himself.

Bulldogs Suffer Losses Due To Injuries

"Oh, no! Not another injury!" was the plaintive cry of the Bulldog fans as high hopes of being District Champs were slaughtered when ten key players on the Bulldog team received injuries during Group II, District III play this year.

Chosen preseasonal favorites to win the District trophy, Coach Pinchbeck and his boys upheld the prediction with a six-game winning streak at the beginning of the season. However, the next four games were with the strong teams from Amelia, Blackstone, Park View, and Randolph-Henry. Due to injuries, the Bulldogs suffered two losses and a tie but managed to win the last game against Randolph-Henry, while the Blackstone Rams went ahead to claim the championship with a record of 7 wins, no losses, and one tie.

Cowan's Cuties

Possibilities of a rough season face Coach Cowan's girls as they practice for speed to offset an obvious loss in height and experience lost when 5 girls graduated from the team last year.

Lewis, Waller, and Watkins return to make up the defense of the team after lettering in Group II, District III play last year. Although these girls aren't very tall, they move with agility and determination that should compensate for the loss of height.

The offense of the team has not been hurt too much in height, but lacks experience as only Nicholson is the forward on the team this year who lettered last year.

Whether the girls can overcome their handicaps and emerge as a competent team or not will be revealed as the season progresses.

Bulldogs Win First Championship And Trophy

Coach Hughes, on opening practice day, found himself looking at the same first string he looked at last year, with the exception of one guard.

The Bulldogs were chosen preseasonal favorites to win the Group II, District III championship. The nicknamed "Hounds" will hit the trail with All-District, All-Tournament player, Donnie Clary, leading the pack. Filling in on the team will be the other returning lettermen, 6'2" Jamie Browder, 6'3" Donald Clary, 6'0" Jerry Clary, 5'9" Freddie Reekes, and 6'1" Taylor Finch.

With experience and height on their side, the Bulldogs, boasting an 18-1 record, come home with the district championship trophy which has eluded them in the final round of tournament play a number of different times.

FIRST ROW: David Fleshood, Danny Stembridge, Joe Barkley, Freddie Reekes, Buzzie Adams, Jerry Clary.
SECOND ROW: Coach Hughes, Harold Neal, Eugene Daniel, Johnnie Davis, Joe Watts, Buck Heartwell.
THIRD ROW: Floyd Roberts, Taylor Finch, Donnie Clary, Jamie Browder, Donald Clary.

Coach Hughes and Captains, Donnie Clary and Jamie Browder, plan winning strategy.

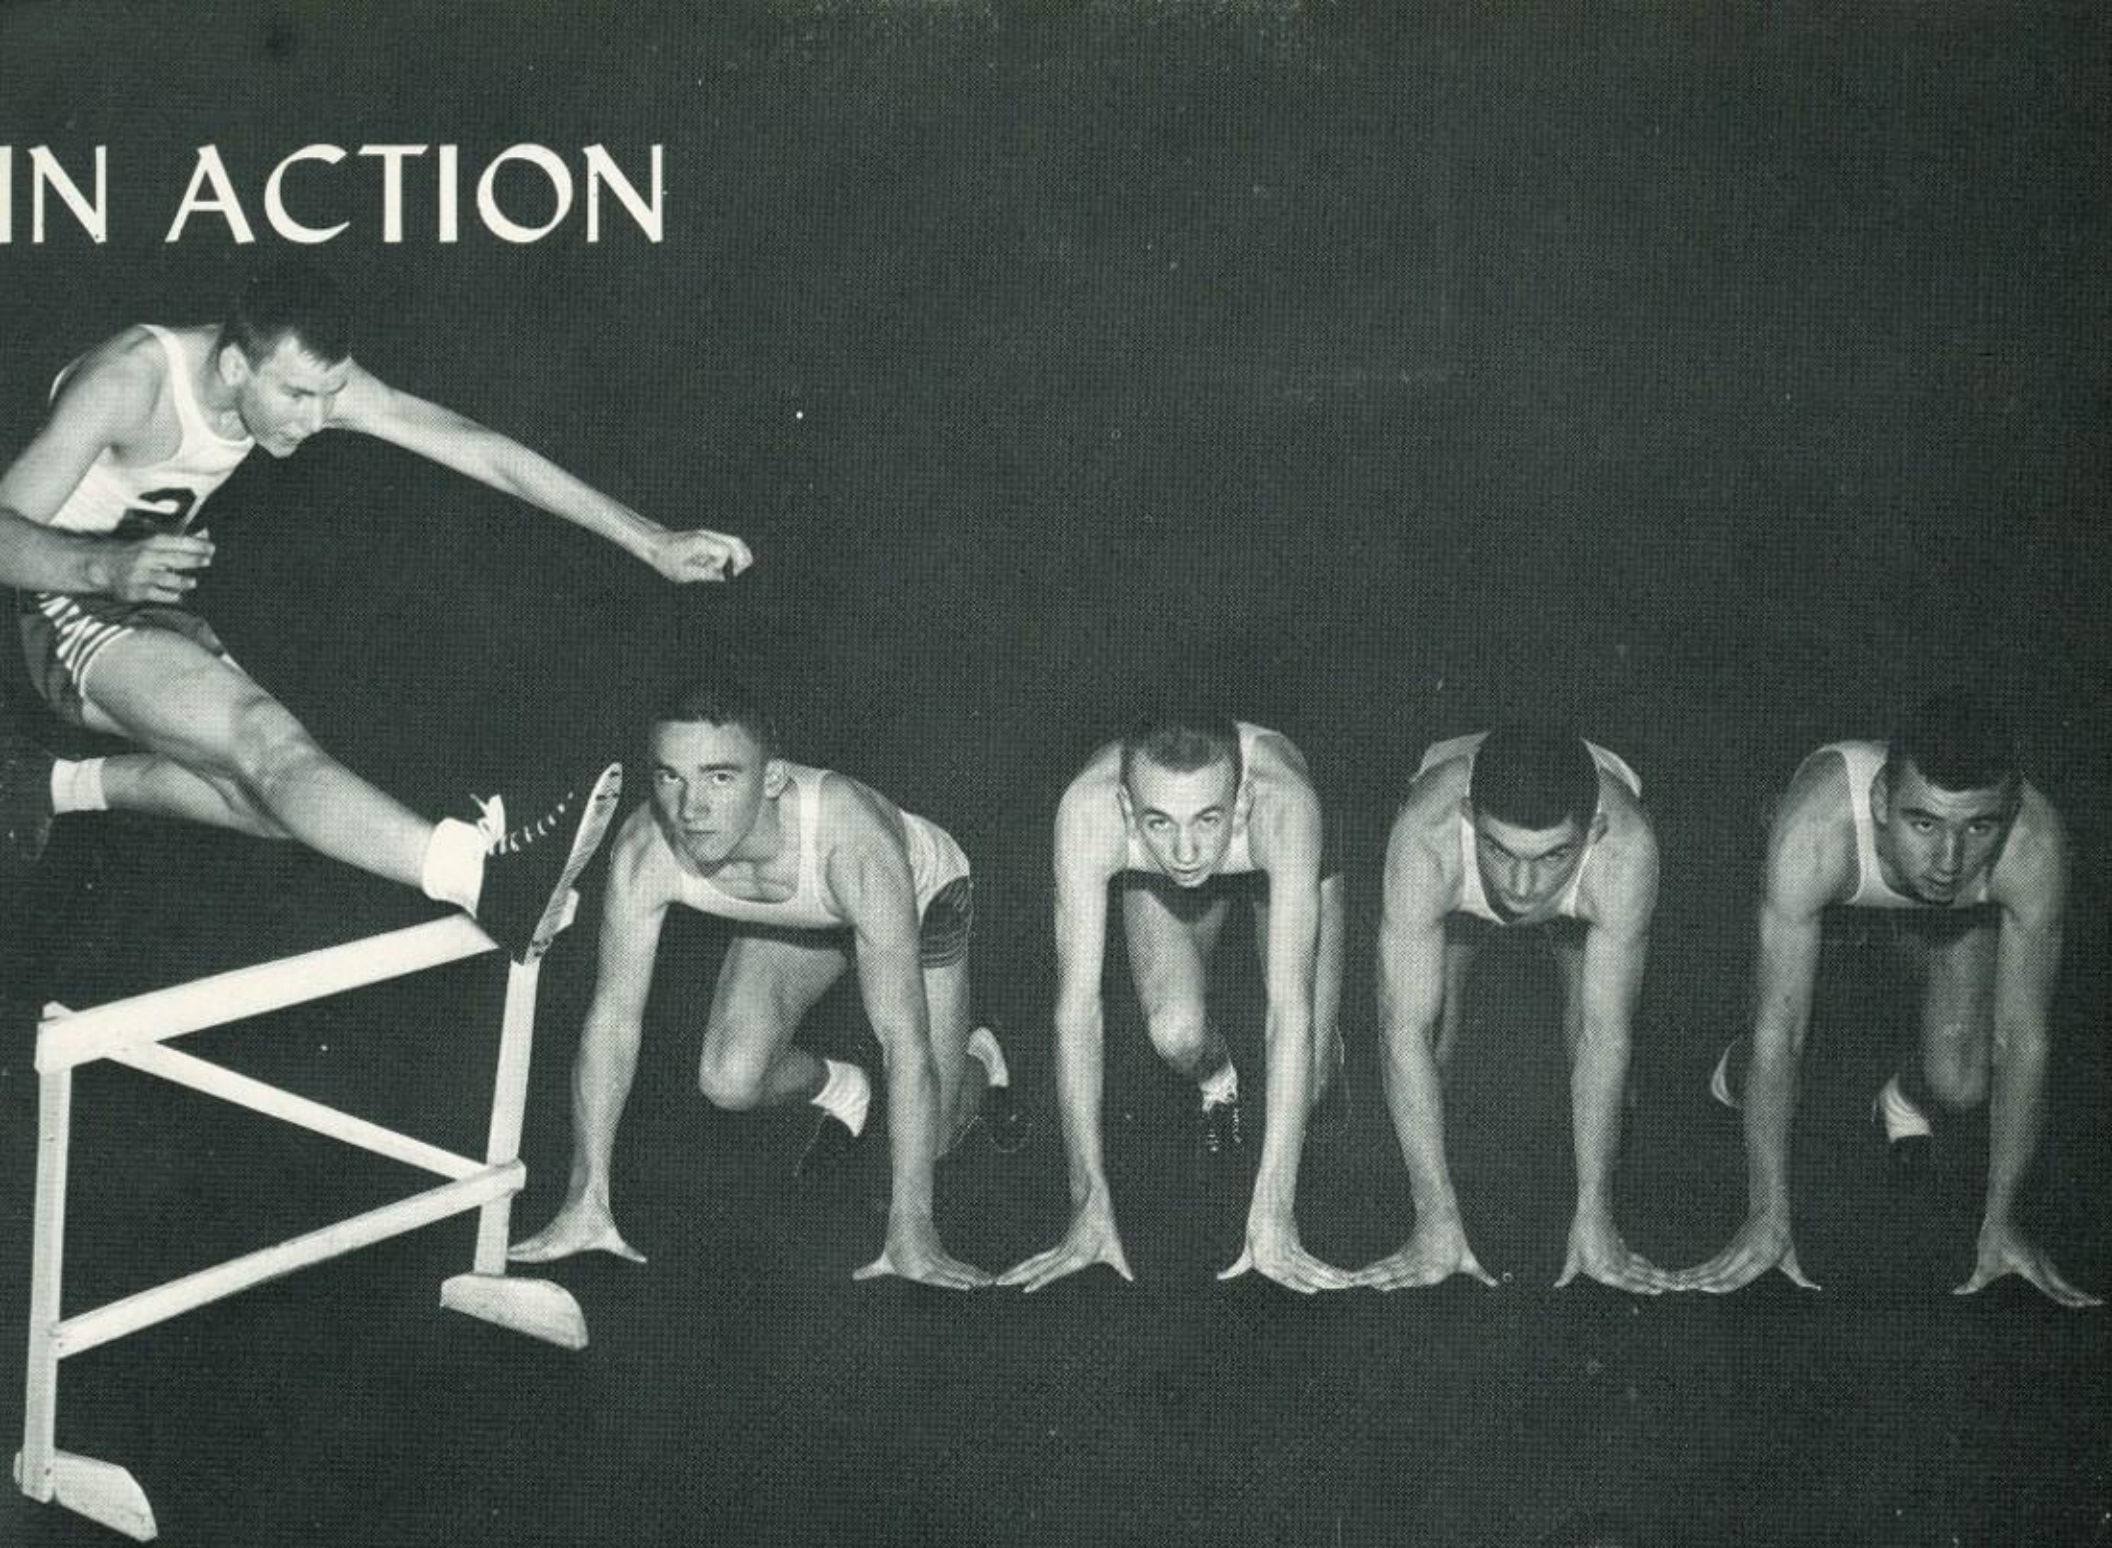
It's all in your hands, boys.

BULLDOGS

IN ACTION



Clear skies, balmy breezes, sprouting grass--all of these make up the call of baseball, and Brunswick boys respond as most boys do.

Prospects for the coming year are good with Sonny Martin returning to help Raymond Daniel on the pitching staff. Other returning lettermen are Freddie Reekes, Wayne Barnes, Donnie Clary, Jamie Browder, Jimmy Clary, Donald Clary, and Jerry Clary.

With spring will come again the call of baseball, and the Bulldogs with Coach Pinchbeck will take their places on the field to see what the season brings.

ADVERTISEMENTS

THE ART OF BEING*-------A SUCCESSFUL 1962 GRADUATE

IT IS BEING great now, being forgiving now, being tolerant now, being happy now, being successful now, instead of postponing positive and constructive living to some vague and indefinite future. IT IS FACING the fact that your biggest task is not to get ahead of others, but to surpass yourself. IT IS WASTING no time dreaming about the rich life you may live next year, or ten years from now; it is beginning to live at your best right now, today. IT IS BEGINNING today to be the man or woman you want to be. IT IS A REALIZATION of the truth of the Master's teaching that the Kingdom of God is not far off, but that it is within you now!

*W. A. Peterson's Essays

IT IS BEING interested in the scholastic and financial future of every graduate of 1962 that makes the friendly staff of the Farmers and Merchants Bank offer their assistance. IT IS FACING the fact that many of you graduates will need financial help with your educational, farming and business plans. IT IS NOT WASTING time when we at the Farmers and Merchants Bank can advise and help you with these financial problems; solving your problems helps both of us. IT IS A BEGINNING to the realization that you young folk need the mature financial "know-how" of our staff's collective 200 years experience as much as we need your youthful suggestions and patronage. IT IS A REALIZATION that the 1962 graduates are the "backbone" and future leading citizens of not only Brunswick County but our nation. We at the Farmers and Merchants Bank extend to all of you Brunswick High School graduates our sincere wishes for a successful future.
